

Our Parish Safeguarding Commitment

In our Parish of Mary Help of Christians we consider the safety and wellbeing of all to be our highest priority. We strive to have a community that is welcoming, and committed to safeguarding and upholding the dignity and rights of all people. This commitment is drawn from, and inherent to, the teaching and mission of Jesus Christ, with love, justice and the dignity of each person at the heart of the Gospel.

We seek to empower children, their families and carers, and vulnerable people to have a say, to be listened to and to be protected.

We acknowledge that children, young people and adults at risk may require additional safeguards to promote their participation, wellbeing and safety.
