

SYNODALITY SERIES

THREE PART FORMATION SERIES

Explore what synodality, evangelisation and charisms actually mean through an input from Archbishop Christopher, a panel of practitioners and a shared Conversation in the Spirit.

“Synodality is primarily a spiritual disposition. It permeates the daily life of the Baptised as well as every aspect of the Church's mission. A synodal spirituality flows from the action of the Holy Spirit... No one can progress along the path of authentic spirituality alone; we need support, including formation and spiritual accompaniment, both as individuals and as a community.”
